TUESDAY, NAY 25, 1886. HAWAIIAN LEGISLATURE

Representative Dole was pleased to the the Attorney General's explanation, cause now the Assembly know the legal anding of the Gevernment. He did not she to try and stop payment of this cary, because he saw now that it must paid, but he desired to understand well leave to sit again. The Assembly immediately adjourned until 10 a.m. next day. Representative Dole was pleased to ave the Attorney General's explanation, e matter up very much. The Minister Foreign Affairs said it was paid out, e Attorney General said it could not be aid out because it was not in the Appro-riation Bill. Now the Minister of Fi-ance says it has been paid out. It ap-ears thus money his been paid out with t any account of it. It does not appear the report of the Minister of Finance. ing. When it is a realization it have been taken out without The Minister of Interior said Friday he was acting on the Postal ings Bank Act, but the statement to second to show he was not acting on at, for be has been receiving and paying without any authority for acting un-list clause until that treaty han been make treatise and that such treaany law based on them shall be nfirmed by this Assembly. If they (the inisters) were acting on this they could rely have failed to bring in a request, e scon is this session was opened, that his treaty should be confirmed. The arrespondence which preceeded this treat covered time between August 1885 to that the sain of \$4,000 be inserted in the provisions of this treaty from and improving the wharf at Johann, it March, 1886. Money has been received, under the provisions of this treaty from the 1814 of December, whereas the treaty from the 1814 of December, whereas the treaty which made it good was not signed until March, 1886. Suppose there had been a difference between the contracting powers and the treaty has not been signed at all, where would they have been? And he asked where are they new that this treaty has not the effect or power of the law until it is passed. Suppose the treaty had been in cristence all that time, so far as he could use, there having been no session of the Hawnian Legislature, they received their authority from the Japanese Government. And to day they were asking the Japanese Government. And to day they were asking the Japanese Government. And to day they were asking the Japanese Government. And to day they were asking the Japanese Government. And to day they were asking the Japanese Government. And to day they were asking the Japanese Government. And to day they were asking the Japanese Government as if they were asking the propose of extending and water it Lahatina, Mani. Tabled for consideration with the Bill. Representative Dole-dered a resolution that the sum of \$2,500 be appropriated for the purpose of regarding the vood into the sum of \$2,500 be appropriated for the sum of \$2,500 be appropriated and the sum of \$2,50

list in places. On the later than the loss with the second point of the Hawnian Logislature, they received ther authority from the Japanese Government.

And to day they were saking the later than the l Hall's Steel Furrow Plow Cook Stoves & Ranges the season was rather premature. Every attempt and the postpone it seemed to have been regarded as an attempt to de feat the Government. He moved this item be postponed until the ministry gave further suplantations. There was nothing to explain it on the face of the foll.

Attentive (is norm) stated that he said when the pay of police officers in the Kingdom. Approved.

to explain it on the face of the bell.

Attarney General stated that he said when
the treaty was made it had full force. It
was only where a treaty changed the tariff
or a law of the Kingdom that it required
to be ratified. While he did not say that
it was not necessary to ratify all treaties,
yet he said that this treaty does not
change a tariff or any law of the Kingdom.
On wole being taken the item was passed
as presented in the Bell. presented in the Bill

The following items were then passed, presented in the bill: The pert stem in the bill was:

Beptesenthive Packnole moved to mend to St. 600.

The Minister of Finance (his first day crescut) hoped the item would pass as translated in the Hawaiian version the elector General said the work had in reased and that the efficers had prevented a great deal of sanogling. There had seen thritteen arrests, and the seizures had mounted to \$15,000.

He would like to knew who was going to put in these buildings? (Languier.)

ampheil Block, Honolulu, H. I. Expresentative Thurston said this was simply a renewal of propositions to increase salaries and which were constantly coming up, and they should stop it. The officers got half of the value of the opium they seized. Every how and then the newspapers told of an officer seizing a quantity of opium, which meant that he got half the value of it. Better for them to increase the salaries of some poorly paid officers in the country districts.

Representative Dickey said the report showed a decrease in customs revenue of about \$116,000 in the two years, and in view of that falling off he did not see how the work could be increasing.

The item of same as smeended, \$3,000.

The item of them of the seizures had not see how the work could be increasing.

The item of them of the seizures had not see how the work could be increasing.

The item of them of the seizures had in the south care as follows.

Section 2 Specifies the manner of construction of fire proof buildings.

He would like to knew who was going to purple the work who was going to purple the work who was going to purple to purple to he would like to knew who was going to purple to purple to purple to purple to purple to purple the work of Honolelu and to regulate the erection and regulating of his didney was then considered Section by Section, the provisions of which are as foll. Iowa.

Section 1. Relates to the limits aforemaid, and includes the district bounded by the eartiest from to the south corner of King street, thence along a line righty feet searchy of Alkee street, thence to water front. Also both sides of Numann purple the street of the surple of the street of the surple of the sur

TUESDAY, May 15, 1886

Tursday, May 18, 1886.
The business of the Assembly was opened by prayer, at 10 a.m. by the Chaplain, President Walker in the chair. Secretary read the minutes of the previous meeting which, after some alight corrections, were approved.

The following petitions were then presented. By Representative Richardson, from Wailske, that a sum of money be appropriated for the erection of public buildings at Wailske. To committee on Public Lands, etc.

By the same member, that laws be passed prosibiting the introduction of Chinese laboriers. To Judiciary Committee.

Representative Brown from the Judiciary Committee reported on the petition of J. F. Brown for the return of \$3.257 overgain axes, recommending that the same be insorted.

proved.

Representative Kalua offered a resolution that the sum of \$3.75 be inserted in the Appropriation Bill for the purpose of payment to one Punes, of Koloa, Kauai, for twice paid tarse. To Finance Committee.

Representative Dole, for the first time, read a bill relating to the descent of property of those who die intestate. To second reading the resolution that

a bill relating to the descent of property of those who die intestate. To socood reading. Bepresentative Dole offered a resolution that the Minister of Foreign Affairs present to the Assembly the reasons for the draminsal of the Hawaiian Consul at Brussels. Carried. Representative Kalua effected a resolution that the sum of \$4,000 be inserted in the Ap-

At 12.05 adjournment was hid until 1.30

AFTERNOON SESSION.

The hour set for assembling was 1.30 p. m but at 1.45 the paucity of members present in-

duced Rep. Dole to move that the Sergeans-at Arms be sent out after absent members, the motion passed and had the effect of can that official to be enabled to wrestle more

Ital official to be enabled to viestle more suc-ceasefully with the loungers in the lubby and cause their attendance.

On motion the "Order of the Day" was brought up, the bill specially assigned being the "Pire Limit" bill, and which, or motion was ordered to be considered Section by Sec-

awning shades, signs and balconies. Section 5. Relates to the composition construction of cornices, entablatures, courses or other ernamental projections of

courses or other croamental projections on fire proof bethings.

Section 6. Belistes to protections to be used between party walls and on windows.

Section 7. Belates to the punishment of violations of any of the preceding Sections.

Section 8. Prescribes the officials whose duties shall be to report infringement.

Sec 9. Repeals all previous laws not in contempts with this.

ormity with this.

The title of the Bill was changed to The title of the Bill was changed to re "An Act to Begulate the Erection and Repa-ing of Buildings in the City of Honolulu with certain prescribed Fire Limita."
On notion the bill was ordered to cogges ment and to third reading on Thursday. Third reading of bill to amend Section 1 Article XC of the Penal Code relating to a legal language of the statutes. Laid on tah At 3.45 a motion to adjourn was put a lost.

mproving roads from Moanalus to Ka-Supreme Court of the Hawaitan Islands

Representative Kaulia from district of Koolaupoko that \$10,000 be appropriated for the purpose of building a breakwater at Kalales, Oaku. To Public Lands Com-

rict of North Kona that the Road Super-isor in chief of Hawaii, be removed, and hat a road supervisor be appointed for each district. Laid on table to be con Messrs M.S. Grinbunto & Co., who are the account of the Hawaii dered with a bill on the subject.

The Minister of Foreign Affairs in an wer to a resolution offered by Representitive Dole at a previous session and approved by the Assembly read the follow

the Hawaiian Consul at Brussels. The solution refers, I suppose, to the late solution of Beginm. I beg to apress my objection to such inquiry. If t were based upon a petition of the party agariaved, seeking redress for alleged gravances in connection with dismissal gravances in connection with dismissal connectin resumees in connection with dismissal rom office, there would be a proper mo-ive for the inquiry; but when no ground of complaint is set forth, and inquiry is compled merely to gratify some one-issire to pry into an official transaction, to public interest is subserved thereby, by feeling as to the undeservability of the proceeding is interested by the face. ig time to come, of an inquiry affecting in and cannot be heard in his own be-

quest which the House has seen ht to authorize, but I trust this circumstance will not bereafter be maintained as a pre-

"Some time in 1884 complaint was made to me that His Majesty's Consul General for Belgium hall refused to certify to in-voices of goods shipped to Honolulu as anthorized by his instructions. I had endence with him upon the subject, and his manner of discussion im-pressed me that he was not a man of suit able temperament to fill the position he held, and that he indulged in strong per sonal antagonism to persons engaged in developing the very slender trade that has hitherto been carried on between Belgium and Hawaii. From his own letters, and from the public press of Brussels, I also learned that he had deviated from the urse implicitly laid down in the general onsular instructions that His Majesty

The Minister of Foreign Affairs denied any intent to be impertinent, the preamble was necessary as a protest to the resolution, as the rules of the House forbade the setting of the executors' accounts.

Committee, to whom had been referred scentrity, to be approved by the Court, to be subject to the further order of the Assistant Storekeeper, Keeper Steamer Warehouse, and Third Statistical Clerk presented a report favoring the item of \$2,400 as saiary for the Assistant Store—

W. F. Allen Receiver per set, C. Brown for \$2,400 as saiary for the Assistant Store—

Self and co-executors. S2,400 as salary for the Assistant Store Reper, suggesting that the item of \$1,200 Keeper or Warehouse be struck out, as also the item of \$2,400 for Third Statistical Clerk. Report accepted and laid on table for consideration with Appropriation Bill.

Representative Kambane a resolution that the sum of \$5,000 be arrangemental for

the purpose of repairs etc. to the wharf at Honnapo. Hawaii. Tabled for consideration with Appropriation Bill. Representative Dole introduced a reso-lution that, the Minister of Foreign Affairs be instruction to inform the Assembly of the nature of Mr. R. M. Daggett's mission abroad and the results of the same. He said that the report presented by the Min-ister the day before showed an item of \$1,000 was spent on this mission and also that the report called for \$50,000 for For-eign Missions. It was to get at the nature of these missions that the resolutions was

The Minister of Foreign Affairs stated

The resolution of Rep. Dole was carried The resolution of the Done was carried.

Rep. Dickey offered a resolution that
\$4,000, in addition to the road tax, be inserted in the Appropriation Bill for the
purpose of making repairs to roads in the
district of Makawao. Tabled for Appro-

appointed for the consideration of certain uns in the Appropriation Bill in the torney General's Department, consist of e following members: Hawaii, Rep's thia, Kaunamano, Nahale and Kauhane Mani, Raumanno, Nance and Kannane, Mani, Reps. Aholo, Dickey, Richardson and Faehaole; Oahu, Hayselden, Brown, Kaulin; Kanai, Dole and Palahou, And that the said committee have given them for consideration the 11th, 12th, 13th, and

14th items in the Department of the At-torney General, and that they also con-sider the pay of police for the Islands of the Engdom.

Hon. H. A. Widemann objected to the namner of the resolution as regards nam-ng the committee personally, and espe ing the committee personally, and espe-cially for such a purpose.

The Attorney-General seconded the res-olution and amended by the addition of placing the 16th item, in his Department appropriation, for their consideration. The resolution passed as amended.

Representative Brown declined to serve on the committee.

the committee. Representative Kean offered a resolu tion that the Board of Education be instructed to establish an English school at Moanalua. Referred to committee on

Education. Education.

Bepresentative Kauni gave notice of bills: 1, to amend Sections 11 and 12 Session Laws of 1882, relating to internal tares. 2, to amend Section 1, Chapter IV Session Laws of 1876, relating to drunk-snness. 3, to amend Section 15, Chapter XLIV Session Laws of 1882, relating to retail spirit licenses.

retail spirit heenses,
Representative Amara, a resolution that
the Minister of Interior be instructed to
have maps prepared and hung in public
places, showing the plans of the new
streets and the portions of land intended to
be taken from owners in the burnt dis
trict. Approved.
Representative Amara read for first time
a tail to amend Section 1477 of the Civil
Code relating to specific rights of the peo-

a bill to amend Section 1477 of the Civil Code relating to specific rights of the people. To second reading in order.

The Attorney-General read for the first time a bill to grant certain lands to the Bishop of Olka for electrosynary purposes. To second reading in order.

The Minister also read for the first time a bill to tax Chinese residents and arrivals for the support of suck Chinese and such as may require transportation. The bill

amount specific tax, on all Chinese ring in the country. To second readag in order.
At 12:10 the Assembly adjourned until

WH. G. IRWIN & CO.,

IN ME ESTATE OF A. UNIO Country of CHIEF JUSTICE JUDGS.

The executors and executrix have pre-Messrs M. S. Grinbann & Co., who are the agents and large creditors of the Hana Plantation, a controlling interest in which as partner the decedent owned, move the Court that this balance be paid over

proved by the Assembly read the fellowing reply:

"Mr. President—A resolution of the following introduced by Mr. Dole, requests not need to explain the reasons for the dismissal of the Hawaiian Consul at Brussels. The solution refers, I suppose, to the left claims against estate of decident with the executors within the statutory period of six months and so the claims.

partly private estate and partly an in-terest in the partnership, and the will in-structs the executors to continue the parsire to pry into an official transaction, public interest is subserved thereby feeling as to the undeservability of proceeding is intensified by the facts the gentleman referred to in the we resolution resides in a far distant, he can have no cognizance, for a prime to come, of an innuiry affecting. nership and of the individual proper and the partnership assets of the decede were ordered to be delivered by t

to the widow for hot support out of th partnership property (the Plantation) an the whole proceeding contemplated a set thement by the two estates together. By THE COURT - I think the proceed in equity for the appointment of the Re-ceiver gave ample notice to the executor of the existence of the claims of M. S Grinbaum & Co. These are stated in the will and admitted by the answer of the

a partner joint debts were to be satisfied out of the joint easter but if that was in-sufficient, then, subject to the claims of their separate creditors out of their samanta. any of them were insolvent, then on the romaining estates proportionally
But says Collyer on Partnership, Sec.
380, "It is now established beyond controversy that in the consideration of
Courts of Equity a partnership debt is
several as well as joint, and that upon
the death of a partner, the joint creditor
has a right in equity to proceed insinediately against the representative of
a decoused partner for payment of his
separate estate, without reference to
the question whether the joint estate is
solvent or insolvent, or to the state of the
accounts amongst the partners."

that the report of the Minister be accepted.

He was very sorry however, to hear the presumble, as the words were to his mind, a very impertinent statement to make to the Assembly. Such a question as the one propounded to the Minister, was always answered in a politic and complete manner by the members of the English Cabinet, the Parliamentary practice of which Participant of the decided of th in equity against the estate of the in equity against the estate of the de-ceased partner, whether the survivor is insolvent or bankrupt or not. The con-sequence is that the joint creditors need not now whit until the partnership affairs are wound up, and a final adjustment thereof is made. But they may at one proceed, as upon a joint and several con-tract, in equity, against the estate of the deceased partner. See, 3 Kent's Com. 63 deceased partner.

But I think M. S. Grinbaum & Co. have would ask what rule of the House the Min-ister reforred to.

The Minister of Foreign Affairs (smil-ing) stated that he was not referring to to any particular rule of the House, only respected to the Source of Foreign Affairs (smil-ing) stated that he was not referring to the wildow from the partnership assets, or any particular rule of the House, only respected to the House, only
